ATHLETICS SUCCESS FOR IHS

English Schools Athletics Success

Last Saturday Ines competed at Chelmsford in the U20 400m. Ines performed beautifully and gained a new personal best of 58:18! This is a fantastic achievement in which she has also gained English Schools Entry. Ines then went on to compete on Sunday at Harrow. From the weekend of performances Ines has received confirmation of her Suffolk Team place for the English Schools Championships in Birmingham in two weeks time.

Ines says 'this is the highest level event for a school age athlete competing at a national level so I am absolutely delighted to have been selected'.

ISA Athletics

On Monday 19th June, Freya travelled to Birmingham and performed in the National ISA Athletics event at the Alexander Stadium for the ISA East Team. Freya previously won the discus at the regional round and then progressed to represent the team in Birmingham. Freya performed incredibly and came 1st and is now the ISA National discus champion.

A huge well done to Freya for representing the East Team and Ipswich High School.

Music News

As students in the Prep School reach the end of the school year, they will have had the chance to try out between one and four different instruments, depending on their year group. The summer holidays are an excellent time to think about continuing an instrument pupils have enjoyed or starting a new one.

This chart, produced by Cambridge University, showing GCSE results makes the link between learning an instrument and achievement in school exceptionally clear. The column on the right in each group shows the attainment of students with over three years of instrumental tuition, compared to those with no instrumental tuition and those with up to three years.

The study took a large group of students from all ranges of ability and socio-economic backgrounds and the results are indisputable – learning an instrument makes you smarter.

The U8 team including Autumn, Arabella, Betsy, Tabitha, Emily and Oshi took part in their first ever swimming gala. They all enjoyed the experience. A special mention goes to Elspeth who also joined the U8 team.

In the individual event there were wins for Freya, Willow and Connie. Albert represented the school for the first time in a swimming gala.

Year 9 Residential Trip to Paris and Disneyland

59 pupils and 6 staff had an early start on Wednesday 7th June as they embarked on their residential trip to Paris. They started their day going up the Montparnasse Tower for a 360 degree view of Paris taking in all the famous monuments. Some pupils took a trip to the Jardin du Luxembourg whilst others shopped the streets of Paris.

They then made their way to the iconic Eiffel Tower, walking past the River Seine and spent time taking photos in the Trocadéro Gardens.

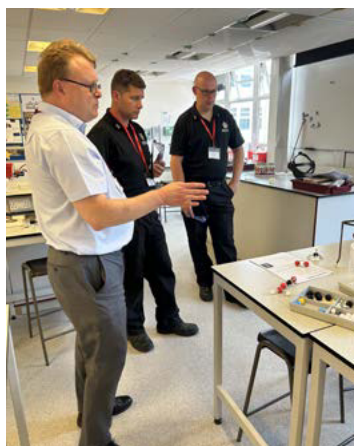

Day 2 started off with some songs from Moana as we made our way to Disneyland Paris. Pupils spent their time exploring the park, meeting characters and going on as many rides as possible. We finished the evening watching the incredible drone and fireworks show which is always a highlight of this trip.

Day 3 saw the pupils buying souvenirs in the Montmartre area, visiting the Sacré-Cœur and watching the artists in the Place du Tertre.

Fire & Rescue

On Thursday 22nd June two fire service instructors from Suffolk Fire and Rescue service spent some time with our Chemistry Department, sharing our experience of demonstrations of endothermic and exothermic reactions. They will use this knowledge to enrich their Hazmat course, training firefighters across Suffolk.

Boarding News

Busy Boarding Week

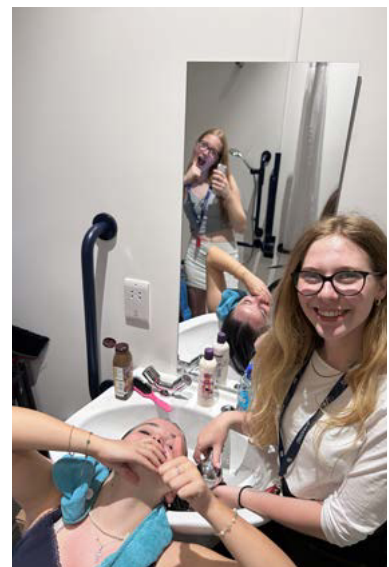

What a week! The boarders have been soaking up the sun here at The Dairy House. We are so lucky to have the amazing School grounds. We have had some lovely walks which we extended down to Woolverstone Marina, chatting and enjoying each other's company in these last few weeks of the Summer Term with such lovely views.

Our outgoing Head of House, Crystal was also busy, holding a House Council Meeting where we all get to share our views about boarding and come up with good ideas about things we like to do. Outgoing Deputy Head of House, Jake, started his packing - eventually - despite Crystal having started weeks ago! They have had a busy time with exams and we wish them all the best as they head off home for the summer.

Who would have thought that hair washing would become an activity in the boarding house, however, we love our hairdressing sink, and, pampering each other at the end of a long day is just sometimes needed. Why would you want to be anywhere else!
